Dear,

Because of your knowledge about caring for older people in your community, we would like to invite you to join a round table discussion November **18th 5-6:30 pm over an evening meal**, hosted by Memory Keepers Medical Discovery Team, University of Minnesota Medical School, Duluth Campus (MK-MDT) at the Legacy Event Center in Thief River Falls. Join others from your community who share your interest and commitment to this topic. Dinner provided!

- **Share your expert perspective on future directions for rural dementia research projects**
- Meet our rural dementia research team
- Share your expert perspective and experience with dementia clinical trials
- Connect and collaborate with community health care providers from Thief River Falls
- Help build a community of practice
- Hear about our Brain Train Event successes, hosted September 23rd in Thief River Falls

Please confirm your attendance by September 26th.
